

APRIL 27, 2026
NOON – 1:00pm

**CDFA DISABILITY AWARENESS
COMMITTEE LUNCH & LEARN**
Join us in The Bistro

Autism Acceptance Awareness Month

The Collaborative Start Laboratory at the UC Davis MIND Institute is committed to learning more and doing more to reduce barriers and increase our outreach and support for community providers, agencies, teachers, families and children with ASD. We understand the importance of approaching all people and families with cultural humility and of learning to be better listeners in order to be more effective partners.

Guest Speakers:
Dee Adedipe, M.S.

**Ana C. Ramirez,
M.A., BCBA**

Rocio Calderon
