The State of Washington proudly invites the Weights & Measures community to the 2010 Annual Western Weights & Measures Conference. We are honored to host this event and encourage early registrations.

The theme of our conference will be workplace safety. We will have demonstrations and presentations on creating a safer work environment for inspectors and office staff.

This year's conference will be held September 26-30, 2010, at the Phoenix Inn in Olympia, Washington, one block from the city's waterfront and within walking distance of numerous cafes, restaurants, shops and the state capital. For more information on City of Olympia and the Pacific Northwest, please access <http://www.thurstonchamber.com/visitor/index.htm>.

The Phoenix Inn is located 45 minutes from Seatac Airport and hourly shuttles run between the hotel and airport. Please contact Capital Aero Porter (360)754-7113 for shuttle reservations. A block of rooms have been reserved through August 25, 2010. Room rates are \$86.00 for a room with one king size bed and \$106.00 for a room with 2 queen size beds. Please book reservations directly through the Phoenix Inn, by calling toll free at 877-570-0555. To access more information about the accommodations, please visit <http://www.phoenixinn.com/olympia/>.

Mark your calendars now for a week of enjoying good fellowship, viewing the scenic Pacific Northwest and accomplishing the important work of the Western Weights & Measures Region.

Please look for more information and registration forms on the National Conference of Weights & Measures Western Region website. Feel free to contact me at 360-902-1856 or krobinson@agr.wa.gov if you have any questions.

Regards,

Kirk Robinson, Program Manager
Washington State Department of Agriculture
Weights & Measures Program
