## Deputy Agricultural Commissioner/Sealer-18096004U Supplemental Questionnaire

- \* 1. Please review the minimum qualifications for this position, which consist of the two options listed below: Option A: Possession of one of the four current California Department of Food and Agriculture license for (a) Deputy County Agricultural Commissioner or County Agricultural Commissioner, OR, (b) Deputy County Sealer of Weights and Measures or County Sealer of Weights and Measures; AND A bachelor's degree from an accredited U.S. college or university, or certified equivalency for foreign studies; AND, Five (5) years of experience that demonstrates the ability to perform the essential functions of the classification which must include two (2) years of management or supervision; OR, A combination of experience and/or education as stated above, with the required licenses. Option B: Three (3) years of professional experience equivalent to a Deputy Commissioner/Sealer level managing agricultural or weights and measures programs, including staff for a jurisdiction in another state or for a state agency, such as the California Department of Food and Agriculture or California Department of Pesticide Regulation. Experience must have included management of agriculture or weights and measures inspection or enforcement programs. Once qualifying experience is verified and the candidate is successful in the selection process, a provisional Deputy Agricultural Commissioner or Deputy Sealer license will be requested from the California Secretary of Agriculture on behalf of the candidate. This license is only valid for employment with the County of San Diego. If the provisional Deputy Agricultural Commissioner or Deputy Sealer license is approved, the candidate is considered to have the same qualifications as Option A above. If you do not meet these minimum qualifications, your application will not be accepted. Please select the box that accurately describes your possession of licenses and/or your education/experience background. Please select only one box.
