

**Deputy Sealer of Weights and Measures  
County of Santa Barbara - Agricultural Commissioner's Office  
\$70,962 - \$106,443  
Live and work in beautiful Santa Barbara County**

**About the Position**

The Santa Barbara County's Agricultural Commissioner's Office is seeking a highly experienced individual who will play a critical role in the function of the Weights and Measures Division. The ideal candidate will possess strong leadership skills and the ability to coordinate and direct the operations of the division. They will manage inspection, testing, and enforcement activities for compliance with the State of California and local weights and measures laws and regulations.

**Duties of the Position**

The Deputy Sealer of Weights and Measures manages the weights and measures inspection, testing, enforcement and related activities; and may perform technical work in testing and inspecting weighing and measuring devices and packaged commodities for compliance with the State of California and local weights and measures laws and regulations.

- Assists in planning, organizing and directing a comprehensive program in inspection, testing, calibration and sealing of commercial weighing and measuring devices.
- Assists in the formulation of weights and measures-related departmental policies and procedures; insures the implementation of policies; recommends procedural changes; prepares policy and procedural instructions and manuals.
- Assigns, supervises, reviews, evaluates and participates in the work of weights and measures staff; supervises the training of subordinate personnel; participates in employee screening and selection.
- Participates in the more difficult assignments such as criminal prosecutions and hearings; serves as resource person for subordinate staff; verifies permissible tolerance of weights and measures testing devices used by the department.
- Assists in preparation and monitoring of the division budget; prepares a variety of reports and correspondence; conducts surveys required by State or other agencies.
- Maintains liaison with other departments and agencies; may represent the department before civic, professional and other organizations; interprets weights and measures program to interested groups and individuals.
- **Possession of a valid certificate of eligibility for Deputy County Sealer of Weights and Measures issued by the California Department**

**of Food and Agriculture. Possession of a Class C California driver's license; and**

**Requirements**

1. Supervisory experience within a weights and measures or agricultural environment; and/or
2. Program management experience within a weights and measures or agriculture environment.

***Ideally, the most successful candidate will have inspection, supervision and successful program management experience.***
