Together
we ignite
possibility

adjoin

Adjoin helps individuals of varied backgrounds, interests, and abilities to achieve their life plan in the communities where they live, work, learn, and play.

Catalysts

Adjoin Catalysts offers services to people with intellectual and developmental disabilities, helping them create optimal experiences where they live, work, learn, and play.

Veterans

Everyone deserves a place to call home, especially our Veterans. At Adjoin, our housing-first strategy secures permanent housing for every Veteran family we proudly serve.

A productive Day is every day a new pathway is built.

We serve more than 1400 clients annually throughout the state providing a multitude of services ranging from living and housing, to employment and skills training to social recreation.

Many of the individuals we support have been marginalized and have had significant barriers and challenges in their lives.

All people deserve to have a sense of belonging. Belonging is about transitioning all people from mere participation in their communities to a higher level of engagement with a sense of fitting in or feeling they are an important member of a group.

Adjoin Values

People

People are our greatest asset; we celebrate, value, and respect people from all backgrounds and walks of life.

Integrity

We build relationships based on trust and make decisions in the most responsible way possible.

Innovation

As people our needs are constantly evolving, and so, too, should our systems of care.

Compassion

We care deeply about every person in our community and always act in their best interests

Fun

We wholeheartedly approach our work with joy and gratitude.

together we **ignite** possibility

What We Do

In October 2011 Adjoin received a Supportive Services for Veteran Families (SSVF) grant award from the Department of Veterans Affairs to offer services to eligible Veteran households in San Diego and Imperial Counties who are:

- Literally homeless (Rapid re-housing-RRH)
- or
- Homelessness is imminent (Homeless Prevention-HP)

Veteran households must also meet basic income eligibility (under 50% area median income) to be enrolled in the program.

Services we offer:

- Diversion
- Case Management
- Housing Navigation
- Benefits Coordination
- Health Care Coordination
- Legal Services (soon)
- Transportation
- Financial Assistance
- Referrals
- General Housing Supplies

Adjoin's Veterans Services division:

- Serves over 800 veteran households annually
- 85% of the households we enroll have extremely low income (under 30% of area median income)
- 60% of households served are literally homeless (street homeless)
- A maximum of 40% of households served are at risk of homelessness
- The average time from enrollment to moving into permanent housing is about 50 days

Some challenges we face

- Lack of affordable housing in San Diego
- Low vacancy rate in San Diego
- Increasing age of Veterans served
- Increased mental health and substance abuse among Veteran households served
- Lack of shelter vacancy for temporary shelter for street homeless, while identifying permanent housing
- Veteran households with low income, evictions, and low credit scores

Northern California Catalysts Services

North Valley serves:

San Joaquin, Stanislaus, Tuolumne, and Amadaro Counties

South Bay serves:

Santa Clara, Monterey, and Santa Cruz Counties
