California Department of Food and Agriculture Office of Farm to Fork (CDFA-F2F)

2022 CALIFORNIA FARM TO SCHOOL INCUBATOR GRANT PROGRAM

TRACK 2: THE CALIFORNIA FARM TO SCHOOL PARTNERSHIP GRANT

Additional Organizational Data Worksheet

Instructions: For Question 12: "Organizational Data" in the Track 2 application, the online application form only enables applicants to enter organizational data for up to 6 farm to school implementing organizations in their project partnership. If there are more than 6 farm to school implementing organizations in your project partnership, please enter the organizational data for 6 of them in the online application form and then complete an Additional Organizational Data Worksheet for each of the remaining farm to school implementing organizations. Please upload each worksheet in the online application form once complete.

Question 12: Organizational Data

12a. District/organization name: _____

12b. District/org – State representatives: Please click **here** to identify this district's/organization's State Assembly District(s) and Senate District(s) as well as its State Assembly and Senate Members. Then, please list your findings below. Please note that if you are awarded a grant, the CDFA will use this information to notify this district's/organization's state representatives of your award.
