ABOUT THE SPONSORS

CDFA SAFE PROGRAM

The Safe Animal Feed Education (SAFE) Program of California focuses on industry outreach and education. SAFE assists firms to gain regulatory compliance through voluntary participation to lead the nation in ensuring a safe and wholesome supply of commercial feed.

CGFA

The California Grain & Feed Association (CGFA) is a nonprofit agricultural trade association which has served the grain and feed industry since 1924. CGFA is a state-wide trade association composed of 300 members involved in some phase of the grain, feed and feeding industry. The focus of CGFA is largely on state activities and issues.

NGFA

The National Grain and Feed Association, founded in 1896, is a broad-based, non-profit trade association that represents and provides services for grain, feed and related commercial businesses. Its activities focus on enhancing the growth and economic performance of U.S. agriculture.
