Controlled Atmosphere Registration Application for Apples

I hereby apply for registration to operate a controlled atmosphere (C.A.) storage facility in accordance with the California Code of Regulations, Sections 1400.41 and 1400.42

Owner(s) or Operator(s) of Controlled Atmosphere Storage

Name of Firm: _____

Mailing Address: _____

Phone Number: _____

Fax Number: _____

Location of C.A. Storage: _____

Number of Rooms: _____

Total Carton or Bin Capacity: _____

Packer(s) or Repacker(s) of C.A. Apples (if different from Owner/Operator)

Name of Firm: _____

Mailing Address: _____

Phone Number: _____

Fax Number: _____

Location of Packing Operation: _____

We agree that the apples held or to be held in controlled atmosphere storage or to be prepared, packed, sold, or transported by me will be or have been kept in a room or storage building with not more than five percent (5%) oxygen for at least forty-five (45) days for Gala and Jonagold varieties. All other varieties will be or have been held for at least sixty (60) days. The oxygen level in such room or storage building will be or has been reduced to five percent (5%) within twenty (20) days after the date of sealing the apples in the storage room or building.
