

Certifying Agent Registration Application Affirmation

California Department of Food and Agriculture
State of California

Affirmation

I (We) affirm that, if granted accreditation, I (we) will carry out the provisions of the OCal regulations, including:

- a. Annually renewing registration and reporting all activities as set forth in the OCal regulations § 10410;
- b. Paying and submitting fees to the department;
- c. Demonstrating the ability to fully comply with the requirements for registration set forth in the OCal regulations § 10408;
- d. Notifying the department in writing of receipt of payment and amount paid for certification or recertification of each operation, including the operation's business address, commercial cannabis license number(s), license type(s), mailing address, physical address, telephone number, number of square feet certified, and nonmanufactured product(s) produced; and
- e. Transferring to and making available to the department all records or copies of records concerning my (our) certification activities in the event that I (we) dissolve or lose my (our) registration. Except that such transfer does not apply to a merger, sale, or other transfer of ownership of a certifying agent.
