

This map displays the quarantine boundaries for Citrus Yellow Vein Clearing Virus (CYVVCV) in California. The map covers a large area, including parts of Sacramento, San Joaquin, and Colusa counties. A thick green line delineates the quarantine boundary, which follows major roads and waterways. A legend in the bottom right corner identifies the green line as the 'Quarantine Boundary' and the yellow line as the 'County Boundary'. The map also shows major highways, cities, and geographical features like rivers and lakes. The title '2026 Citrus Yellow Vein Clearing Virus (CYVVCV) Quarantine Boundaries' is prominently displayed at the top. Logos for the California Department of Food & Agriculture (CDFA) and the Citrus Pest & Disease Prevention Division are located in the top right corner. A grid reference 'Grid 180' is noted in the bottom right corner.
