1. The Board may arrange for the issuance of inspection certificates or other such evidence of compliance as the Board deems necessary and proper to ensure compliance with the quality standards and any administrative rules issued and made effective by the Department pursuant to the provisions of this Marketing Program.

2. The Board may carry on any other appropriate research activity relating to the production, processing, transportation or utilization of pears.

BUDGETS AND RATES OF ASSESSMENT

Section A. RECOMMENDATIONS OF BUDGETS AND RATES OF ASSESSMENT BY THE BOARD.

1. At the beginning of each fiscal year hereunder and as may be necessary thereafter, the Board shall recommend to the Department a budget or budgets of estimated income, expenditures, and reserves for the administration and enforcement of this Program and the activities authorized hereunder. The Board shall also recommend a rate or rates of assessment to be levied upon producers of California pears upon a uniform basis, sufficient to provide adequate funds to defray the proposed expenditures and reserves as set forth in said budget or budgets.
2. The rates of assessment which the Board may recommend shall not exceed the maximum permitted by the Act. The Board may recommend different assessment rates for processing pears (depending upon usage) and for pears that are marketed for fresh consumption.

Section B. APPROVAL OF BUDGETS AND FIXING OF RATES OF ASSESSMENTS BY THE DEPARTMENT. If the Department finds that the recommended budgets and rates of assessments are proper and equitable and calculated to provide such funds as may be necessary to properly carry out the provisions of this Program, it may approve such budgets and rates; provided, however, that in no event shall said rates of assessment exceed the maximum authorized in this Program.

Section C. PAYMENT AND COLLECTION OF ASSESSMENTS.

1. The obligation to pay assessments under this Program shall apply to producers on all pears produced for market by said producers, delivered to processors or handlers, prepared for market and marketed by said processors or handlers. To facilitate collection, each processor or handler of pears shall pay the entire applicable assessment on all pears received by him/her from a producer at the rates approved by the Department pursuant to the provisions of this Program. The processor or handler may, however, deduct any assessment paid for and on behalf of the producer from any money owed by the processor or handler to the producer. The Department shall verify that proper payment has been made by processors or handlers for and on behalf of producers.

2. Any assessments levied hereunder shall constitute a personal debt of every person so assessed and shall be due and payable to the Department upon demand. In any event of failure of any person to pay any assessment payable hereunder, the Department may file a complaint against such person in a State court of competent jurisdiction for the collection thereof, pursuant to the applicable provisions of the Act.

Section D. REFUNDS. Any monies collected as assessments during a marketing season and not expended in connection with the respective marketing operations may be refunded, upon a pro rata basis to all persons from whom assessments were collected, or such portions of such monies as may be recommended by the Board and approved by the Department may be carried over into the next succeeding marketing season whenever the Department finds that such monies may be required to assist in defraying the cost of operating this Marketing Program in such succeeding marketing season; provided, that upon termination by the Department of this Marketing Program, any and all monies remaining and not required by the Department to defray the expenses of this Marketing Program shall be returned by the Department upon a pro rata basis to all persons from whom such funds were collected; provided, further, however, that if the Department finds that the amounts so returnable are so small as to make impracticable the computation and remitting of such pro rata refund to such persons, the Department may use such funds to defray the expenses incurred by it in the formulation, issuance, administration or enforcement of any subsequent marketing order for pears produced within the area. Thereafter, if there are any monies remaining which have not been used by the Department as hereinabove provided, such monies shall be withdrawn from the approved depository and paid into the State Treasury as unclaimed trust monies.

Section C. IMMUNITY. No person shall be excused from attending and testifying or from producing evidence before the Department in obedience to the subpoena of the Department on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him or her tends to incriminate said person or subjects said person to a penalty or forfeiture for or on account of any transaction, matter, or thing concerning which he or she may be so required to testify or produce evidence documentary or otherwise, before the Department in obedience to a subpoena issued by him or her.

Section D. APPEALS. Any producer, handler, or processor regulated by this Program may petition the Department to review any order or decision of the Pear Board. Any such petition must be filed in writing setting forth the facts upon which it is based.

Section E. EFFECT OF APPEAL. Pending the disposition of any appeal set forth in Section D of this Article, the parties shall abide by the order or decision of the Advisory Board, unless the Department shall rule otherwise. The Department shall, if the facts stated show reasonable grounds, grant any such petition and may review or revise in any manner whatsoever any order or decision upon which an appeal is taken.

Section F. AGENTS. The Department may designate and authorize any person or persons including officers or employees of the Department of Food and Agriculture to act as its agent or agents with respect to any provisions of this Program.

ARTICLE IX

Section C. RELATION TO ANTITRUST LAWS. In any civil or criminal action or proceeding for violation of the Cartwright Act, the Unfair Practices Act, the Fair Trade Act, Section 16600 of the Business and Professions Code, or any rule of statutory or common law against monopolies or combinations in restraint of trade, proof that the act complained of was done in compliance with the provisions of this Marketing Program and in furtherance of the purposes and provisions of the Act, shall be a complete defense to such action or proceeding.

ARTICLE XI

EFFECTIVE TIME AND TERMINATION

Section A. EFFECTIVE TIME.

1. This Program shall become effective on the date specified by the Department and shall continue in effect until suspended or terminated by the Department or by operation of law in accordance with the provisions of the Act; provided, that beginning in 1997 and every fifth (5th) year thereafter, the Department shall conduct a referendum of producers of pears to determine whether or not this Program should be terminated. However, successful passage of a major amendment substitutes for a continuation referendum and resets the timing for the next required continuation referendum.
(Amended April 20, 2007)
2. The Department shall suspend this Program if it finds from the referendum that discontinuance is favored by a majority of the producers voting in the referendum; provided, that such majority delivered during the preceding season more than fifty percent (50%) of the volume of pears delivered during such season by all producers voting in the referendum. The volume for the purposes of this referendum shall be determined from information furnished by each producer at the time such producer's ballot is submitted.

Section B. TERMINATION. Pursuant to the provisions of Section 59081 of the Food and Agricultural Code, the Department shall suspend or terminate this Program, or any provision thereof, whenever it finds, after public hearing duly noticed and held in accordance with the provisions of Article 6 of Chapter 1, Division 21 of said Food and Agricultural Code, that this Program, or any provisions thereof, is contrary to or does not tend to effectuate the declared purposes or provisions of the Act within the standards and subject to the limitations and restrictions therein imposed; provided, that such suspension or termination shall not become effective until expiration of the then current marketing season. The Department shall also suspend the provisions or terminate this Program in accordance with the provisions of Sections 59082, 59084, or 59085 of the Act.

Section C. EFFECT OF TERMINATION, SUSPENSION, OR AMENDMENT. Unless otherwise expressly provided in the notice of amendment, suspension, or termination no amendment, suspension, or termination of the Program issued by the Department shall (a) affect, waive, or terminate any right, duty, obligation, or liability which shall have arisen or may thereafter

arise in connection with any other provision of said Program not so amended, suspended, or terminated; (b) release, condone, or dismiss any violation of said Program occurring prior to the effective time of such amendment, suspension, or termination; (c) affect or impair any right or remedy of the Department or of any person with respect to any such violation; (d) affect any liabilities pursuant to the provisions of this Program.
