

WORK PLAN

2017 Alternative Manure Management Program

FAAST PIN:

Instructions: List all tasks used to complete project implementation. Clearly and concisely describe the activities (i.e., procuring permits, site planning, engineering, construction, equipment, field supervision, etc.) required to accomplish the goals/objectives proposed in the Project Narrative. Identify who will perform each task/activity, including project partners, contractors/consultants, etc. Provide a timeline in chronological order for all proposed tasks with estimated start and end dates for each task. As needed, add rows to the table below, not exceeding four pages.
