

**2017 CDFA ALTERNATIVE MANURE MANAGEMENT PROGRAM (AMMP)**

**TECHNICAL ASSISTANCE WORKSHOPS**

Each technical assistance workshop service provider will offer at least one kickoff seminar which will include a review of AMMP application materials including how to use the ‘Greenhouse Gas Quantification Methodology for the California Department of Food and Agriculture Alternative Manure Management Program: Greenhouse Gas Reduction Fund Fiscal Year 2016-17’ (the Quantification Methodology or QM) and the associated “Greenhouse Gas Emission Reduction Calculator Tool for the California Department of Food and Agriculture Alternative Manure Management Program: Greenhouse Gas Reduction Fund Fiscal Year 2016-17” (the Estimated GHG Reduction Calculator or Calculator) Applicants are strongly encouraged to attend the kickoff meeting followed by one or more of the Technical Assistance Workshops which will provide ongoing access to a computer and technical experts to assist with specific application submittals.
