1. Does the DDRDP have a template for Supporting Materials 5.1: Explanation of the DDRDP Benefits Calculator Tool?

No, DDRDP doesn't have a required template for the 5.1 Supporting Materials, which serves to explain the applicant's inputs in the DDRDP Benefits Calculator Tool. Please upload all documentation, explanations, and/or information of input selected in the DDRDP Benefits Calculator Tool in a single PDF file (24 pages max) if necessary. It is important to note that Supporting Materials 5.1 is not a required attachment. Please refer to pages 21, 22, and 31 in the 2023 [DDRDP Request for Grant Application \(RGA\)](#) to find more information about Attachment 5: DDRDP Benefits Calculator Tool and Supporting Materials 5.1: Explanation of the DDRDP Benefits Calculator Tool. The Attachment 5 and Supporting Materials 5.1 are part of Section III (Estimated GHG Emissions Reduction) of the DDRDP application. Refer to pages 9, and 10 of the [Preview of Application Questions](#).
