Contact: Jazmine Mejia-Muñoz, (831) 583-8847
Email: jazmine@californiamsf.org
Organization: California Marine Sanctuary Foundation

Event Description: The primary goal of this workshop is that all attendees leave with the latest information on rangeland carbon sequestration, ranching practices that sequester carbon, and an understanding of how ranchers have contributed to carbon sequestration and how they can continue to help! In person attendance will be limited to 100 spots, if you are planning to attend in person please register by September 14, 2022. Zoom registration closes on September 21, 2022.
Field Day: Healthy Soils Demonstration Field Day & BBQ
RSVP: Call Marianna to confirm if planning to stay for lunch & take survey to register: https://survey.ucanr.edu/survey.cfm?surveynumber=37569
Date: EVENT POSTPONED
Location: West California Ave between Grantland Ave and Fair, One block South of Kearney Park. Directions coming from Fresno: Take 180 West to a left on Cornelia, in front of cemetery, then a right on California. You will see the demonstration farm with a sign, one block after Hayes Ave.
Contact: Will Scott (559-970-8020) & Marianna Castiaux (559-878-7382)
Email: mjcastiaux@ucanr.edu
Organization: African American Farmers of California & UCANR
Event Description:
Come all Farmers! This Demonstration Day will be showcasing Healthy Soils Practices such as mulch, compost, and a windbreak. Posters will be placed around the farm describing practices and farmers will be presenting the practices and answering questions. Please call Marianna to confirm if planning to stay for the BBQ hosted by Don Sherman.
