PROPOSAL REVIEW AND EVALUATION

The California Department of Food and Agriculture (CDFA) may reject any proposal if it is conditional, incomplete or contains irregularities. CDFA may waive an immaterial deviation in the proposal. Proposals will be circulated to peer reviewers with relevant expertise. Reviewers will be asked to evaluate the project using the evaluation form found at the end of this packet. Peer reviewers' comments will be provided to the Beet Curly Top Virus Control Board (BCTVCB) to assist them in their review. The BCTVCB will then evaluate the proposals using the same evaluation form and a final score will be developed. Authority for final funding approval lies with the Secretary of Agriculture.

AWARD NOTIFICATION

You will be notified by CDFA whether your project was selected for funding. If your project is selected for funding, please note that work on the project cannot begin until the grant agreement signed by both parties and executed. Interim and annual reports are required to assess project accomplishments, problems, and plans for the next work period. Grant payments are subject to receipt and acceptance of deliverables as defined in the Scope of Work. Please thoroughly read the BCTVCP Grant Procedures Manual for detailed information about grantee responsibilities and reporting requirements; the manual is available on the BCTVCP website under Information for BCTV Researchers.
