

A person with dark curly hair, wearing a light-colored short-sleeved shirt and blue jeans, is using a long-handled white sweep net to inspect an orange tree. The person is standing on a concrete ledge next to a grey lattice fence. The orange tree is lush with green leaves and has several ripe orange fruits. In the background, there is a building with a grey shingled roof and a white corrugated metal roof section. A white vent cap is visible on the shingled roof.

State inspector utilizes a sweep net to dislodge pests into the net.
