

Amend CCR Section 3061. Labeling to read:

3061. Labeling

The following is established as an exception of the individual plant labeling requirement specified in Food and Agricultural Code Subarticle 10 Section 53482:

Nursery stock, when ~~offered for sale~~ shipped, delivered, or transported to a purchaser, may be labeled as to botanical name, kind or variety or common name at the discretion of the person offering it for sale. If such stock is labeled, it must comply with Section 53841 et seq., Food and Agricultural Code.

Note: Authority cited: Sections 407, 53391, ~~53392~~ and 53482, Food and Agricultural Code.
Reference: Sections 53481, 53482 and 53483~~53392 and 53481-53483~~, Food and Agricultural Code.
