

DEPARTMENT OF FOOD AND AGRICULTURE  
Title 3 of the California Code of Regulations

Section 3423 Oriental Fruit Fly Interior Quarantine  
Section 3591.2 Oriental Fruit Fly Eradication Area  
**Notice of Proposed Rulemaking**  
**45 – Day Notice**

The Department of Food and Agriculture (Department) proposes to amend Title 3 of the California Code of Regulations (CCR) Section 3591.2 Oriental Fruit Fly Eradication Area.

**PUBLIC HEARING**

A public hearing is not scheduled. However, a public hearing will be held if any interested person, or their duly authorized representative, submits a written request for a public hearing to the Department no later than 15 days prior to the close of the written comment period.

**WRITTEN COMMENT PERIOD**

Any interested person or their authorized representative may submit written comments relevant to the proposed regulations to the Department. Comments may be submitted by USPS, FAX or email. The written comment period closes on December 19, 2023. The Department will consider only comments received at the Department offices by that date or postmarked no later than on December 19, 2023. Submit comments to:

Erin Lovig, Senior Environmental Scientist Supervisor

Unless there are substantial changes to the proposed regulations prior to amendment, the Department may adopt the proposal as set forth in this notice without further notice to the public. Following the public hearing, if one is requested, or following the written comment period if none is requested, the Department, at its own motion, or at the instance of any interested person, may adopt the proposal substantially as set forth without further notice.

## **AUTHORITY**

The Department proposes to amend Section 3591.2 pursuant to the authority vested by Sections 407 and 5322 of the Food and Agricultural Code (FAC).

## **REFERENCE**

The Department proposes this action to implement, interpret and make specific Sections 5761, 5762, 5763, and 5764 of the FAC.

## **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

This amendment will establish Kern County as an eradication area for OFF. The effect of the regulation is to provide authority for the State to perform control and eradication activities against OFF in Kern County to prevent spread of the fly to non-infested areas and to protect California's agricultural industry.

## **EXISTING LAWS & REGULATIONS**

Existing law, FAC Section 407, provides that the Secretary may adopt such regulations as are reasonably necessary to carry out the provisions of this code which the Secretary is directed or authorized to administer or enforce.

Existing law, FAC Section 5301, provides that the Secretary may establish, maintain, and

Existing law, FAC section 5322, provides that the Secretary may establish, maintain, and enforce quarantine, eradication, and such other regulations as are in her opinion necessary to circumscribe and exterminate or prevent the spread of any pest which is described in FAC section 5321.

Existing law, FAC Section 5761, provides that the Secretary may proclaim any portion of the state to be an eradication area with respect to the pest, prescribe the boundaries of such area, and name the pest and the hosts of the pest which are known to exist within the area, together with the means or methods which are to be used in the eradication or control of such pest.

Existing law, FAC Section 5762, provides that the Secretary may proclaim any pest with respect to which an eradication area has been proclaimed, and any stages of the pest, its hosts and carriers, and any premises, plants, and things infested or infected or exposed to infestation or infection with such pest or its hosts or carriers, within such area, are public nuisances, which are subject to all laws and remedies which relate to the prevention and abatement of public nuisances.

Existing law, FAC Section 5763, provides that the Secretary, or the commissioner acting under the supervision and direction of the director, in a summary manner, may disinfect or take such other action, including removal or destruction, with reference to any such public nuisance, which he thinks is necessary.

Existing law, FAC Section 5764, provides that if an eradication area has been proclaimed with respect to a species of fruit flies and the removal of host plants of such species is involved, the director may enter into an agreement with the owner of such host plants to remove and replace them with suitable nursery stock in lieu of treatment.

### **ANTICIPATED BENEFITS OF THE PROPOSED AMENDMENT**

This regulation will benefit the nuts, dates, and berries (nursery, fruit for domestic use and exports, packing facilities) and the environment (urban landscapes) by expanding the geographic scope of an eradication program to prevent the artificial spread of the OFF over short and long distances.

This amendment provides the necessary regulatory authority to prevent the artificial spread of a serious insect pest which is a mandated statutory goal.

There is no existing, comparable federal regulations or statute.

There are no known specific benefits to worker safety or the health of California residents.

### **EVALUATION OF INCONSISTENCY / INCOMPATIBILITY WITH EXISTING STATE REGULATIONS**

The Department considered any other possible regulations addressing OFF, and it found that these are the proposed amendments are the only regulations dealing with this subject, and the Department is the only State agency which can designate these eradication areas for plant pests. As required by Government Code Section 11346.5(a)(3)(D), the Department has conducted an evaluation of Section 3591.2 and has determined that it is not inconsistent or incompatible with existing state regulations.

### **CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)**

Prior to conducting any action authorized by this regulation, the Department shall comply with the California Environmental Quality Act of 1970 (Public Resources Code Section 21000 et. seq. as amended) and the State CEQA Guidelines (Title 14 California Code of Regulations Section 15000 et. seq.).

### **DISCLOSURES REGARDING THE PROPOSED ACTION**

*The Department has made the following initial determinations:*

There is no reimbursable costs or savings under Part 7 (commencing with Section 17500) of Division 4 of the Government Code to local agencies or school districts and no nondiscretionary costs or savings to local agencies or school districts, will result from the amendment of 3423 and 3591.2.

Cost or savings to any state agency: None

Other nondiscretionary cost or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

Cost impacts on a representative private person or business: The agency is not aware of any cost impacts that a representative person or business would necessarily incur in reasonable compliance with the proposed action.

Significant, statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states: The cost impacts are expected to be none and minimal/non-consequential. The Department makes the initial determination that the proposed action will not have a significant, statewide adverse economic impact.

Significant effect on housing costs: None

Small business determination: The proposed action will not affect small business because compliance activities are currently being performed by existing staff throughout quarantine areas within the state without any impact on small business.

## **RESULTS OF THE ECONOMIC IMPACT ANALYSIS / ASSESSMENT**

The Department has concluded that the Section 3423 and 3591.2 amendment (1) will have no significant impact on the creation or elimination of jobs in the State of California, (2) will have no impact on the creation or elimination of businesses within the state of California, (3) will have no impact on the expansion of businesses within the State of California, (4) is expected to benefit the health and welfare of California residents, (5) is expected to benefit the state's environment, and (6) is not expected to harm or benefit workers' safety.

The health and welfare of California residents: The proposed action will benefit the health and welfare of California residents by preventing increased costs to the consumers of host materials and increased pesticide usage.

The state's environment: The amendment of this regulation benefits the environment (urban landscapes) by providing the Department an eradication program to prevent the artificial spread of the OFF over short and long distances.

## **CONSIDERATION OF ALTERNATIVES**

The Department must determine that no reasonable alternative it considered or that has otherwise been identified and brought to its attention would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less

burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The Department invites interested persons to present alternatives during the written comment period.

### **AVAILABILITY OF STATEMENT OF REASONS, TEXT OF PROPOSED REGULATIONS, AND RULEMAKING FILE**

The Department has prepared an initial statement of reasons for the proposed action, and has made available all the information upon which its proposal is based and the express terms of the proposed action. The Department has posted the information regarding this proposed regulatory action on its Internet website ([www.cdfa.ca.gov/plant/Regulations.html](http://www.cdfa.ca.gov/plant/Regulations.html)). A copy of the initial statement of reasons and the proposed regulations in underline and strikeout form may be obtained upon request. The location of the information on which the proposal is based may also be obtained upon request. In addition, the final statement of reasons will be available upon request. Requests should be directed to the contact named herein.

### **AVAILABILITY OF CHANGED OR MODIFIED TEXT**

After the comment period and considering all timely and relevant comments received, the Department may adopt the proposed regulations substantially as described in this notice. If the Department makes modifications which are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public for at least 15 days before the Department adopts the regulations as revised. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency officer named herein. The Department will accept written comments on the modified regulations for 15 days after the date on which they are made available.

### **AVAILABILITY OF THE FINAL STATEMENT OF REASONS**

Upon its completion, copies of the Final Statement of Reasons may be obtained by contacting the agency officer named herein.
