

CALIFORNIA DEPARTMENT OF FOOD AND AGRICULTURE
Title 3 of the California Code of Regulations,
Amend Section 3700, Oak Mortality Disease Control

Notice of Addition of Documents and Other Information to Rulemaking File

August 25, 2021

Pursuant to the requirements of Government Code section 11347.1, the California Department of Food and Agriculture (Department) is providing notice that documents and other information that the Department has relied upon to amend Oak Mortality Disease Control regulation (Title 3 California Code of Regulation Section 3700) will be added to the rulemaking file. The documents and other information listed below are available for public inspection and comment from August 25, 2021 to September 9, 2021

The following documents and other information are being added to the rulemaking file:

- Addendum to the Initial Statement of Reasons
- Revised STD. 399

The Department will make the Addendum to the Initial Statement of Reasons and the revised STD. 399 available for public inspection at the following address, during the hours of 8:00 a.m. until 5:00 p.m. upon request to:

Erin Lovig
Senior Environmental Scientist
Department of Food and Agriculture
Plant Health and Pest Prevention Services
2800 Gateway Oaks Dr, Suite #200
Sacramento, CA 95833
erin.lovig@cdfa.ca.gov
916.403.6682
916.651.2900 (FAX)

Written comments regarding the Addendum to the Initial Statement of Reasons or the revised STD. 399 must be submitted to the Department by midnight on September 9, 2021, to the Department contact person indicated above.

All written comments received by midnight on September 9, 2021, that pertains to the above-listed documents and other information will be reviewed and responded to by the Department's staff as part of the compilation of the rulemaking file.
