This Certificate of Compliance filed by the Department of Food and Agriculture will make permanent its prior emergency regulatory action (OAL file no. 2015-1123-05E) that expanded the quarantine area for the Asian Citrus Psyllid (ACP) *Diaphorina citri* by approximately 64 square miles in the Daly City area of San Mateo County and into San Francisco County. The effect of this action provides authority for the state to perform quarantine activities against ACP within this additional area, along with the existing regulated areas in the state already under quarantine for the ACP.

OAL approves this regulatory action pursuant to section 11349.6(d) of the Government Code.
