## CDFA/NORS-DUC Best Management Practices Pilot Program Participant List 2022

The following firms are participants or prospective participants in the CDFA/NORS-DUC Best Management Practices (BMP) Program. Each firm maintains a BMP manual indicating BMPs that are implemented at their nursery to reduce the potential introduction and spread of diseases and pests within their plant production systems. Nurseries voluntarily participate in the program.

**Participants** (these firms fall within a Program tier of either Gold, Silver or Bronze). For more information on which tier a nursery falls into please reach out to the nursery directly:

- Devil Mountain Nursery (Clements)
- Takao Nursery, Inc.
- The Watershed Nursery
- Triangle Properties

**Prospective Participants** (firms that have implemented BMPs and developed BMP manuals but do not fall within a Program tier yet):

- CAL FIRE Davis Nursery
- Elkhorn Slough National Estuarine Research Reserve Nursery
- Friends of Sausal Creek Native Plant Nursery
- Joshua Tree National Park Nursery
- Save the Bay
- Tilden Regional Park Botanic Garden
